When a brain tumor sidelined him at 23 years old, Kevin Renderman applied his never-quit attitude to everyday life. He inspired countless people with his strength and courage. Kevin died January 30, 2015, but his spirit lives on. Everyday we are reminded to be strong, brave, and the best we can be because of his inspiring legacy.

This event will support the Kevin Renderman Courageous Heart Fund, which actively supports the community in the honor and memory of Kevin thru groups including **St. Xavier, Next Steps, Shirley Ryan Ability, Rescare**, and the **Courageous Heart Scholarship**. Kevin inspired countless people with his strength and courage. His "never quit" spirit is an inspiring legacy. It reminds us every day to be strong, be brave, and be the best people we can be. We gather at this annual event to not only raise funds for these causes but also to celebrate the life and legacy of Kevin.

The Kevin Renderman Courageous Heart scholarship has been established in Kevin's honor. This scholarship is awarded annually to an eighth grader who demonstrates characteristics that Kevin had, not necessarily to the person with the best grades or the longest list of extracurricular activities. This scholarship is open to graduating eighth graders of St. Christina attending Marist High School all four years.

To date, over \$120,000 has been awarded in scholarship money, along with over \$35,000 given to organizations that provide services to persons with cancer or traumatic brain disorders.

Please join us at our 9th annual event. We gather not only to raise funds, but to celebrate the life and legacy of Kevin.

Kevin M Renderman Courageous Heart Fund is a 501(c)(3) with EIN: 81-0792766
